<b>Investigation Date</b>	26 <sup>th</sup> July 2009
<b>Report By</b>	Andrew Fazekas
<b>Team Members</b>	Andy F, Jackie, Alison (Vigils 2 & 3), Mary (Vigil 3)

### General

Ambient sounds: people outside in the street, vehicles driving past, air lines and pumps,

### Equipment Used

Sony DVD Camcorder.

Digital Sound Recorder.

Digital Camera.

EMF meter.

Temperature Gauge.

General Notes

During the investigation Team one which primarily consisted of Andy and Jackie. Did also include other members of staff for different vigils and this is stated below:

### Pre-Vigil

Andy's bag appeared to have fallen off the table it had been placed on for some time. The bag which had been emptied a short time earlier had nothing heavy in it to have caused it to fall off and it was securely placed on the table.

### Séance

Attended by Andy, Elaine, Marion, Steph and Bill. Andy did not pick anything up during the séance. However his camera did catch two flashing orbs that both move from behind Andy and towards Elaine and disappear behind her. See the photographs taken from film footage below and on the next page.
