

INVESTIGATION REPORT – Team 1

Investigation Site	Quarrendon
Investigation Date	21 st October 2011
Report By	Andy Fazekas
Team Members	Andy and Steph

Pre-Vigils

21:26 As the team are looking around the area, Steph gets the impression of women dressed in black and white with their heads covered. They are selling goods near the west ruin of the church.

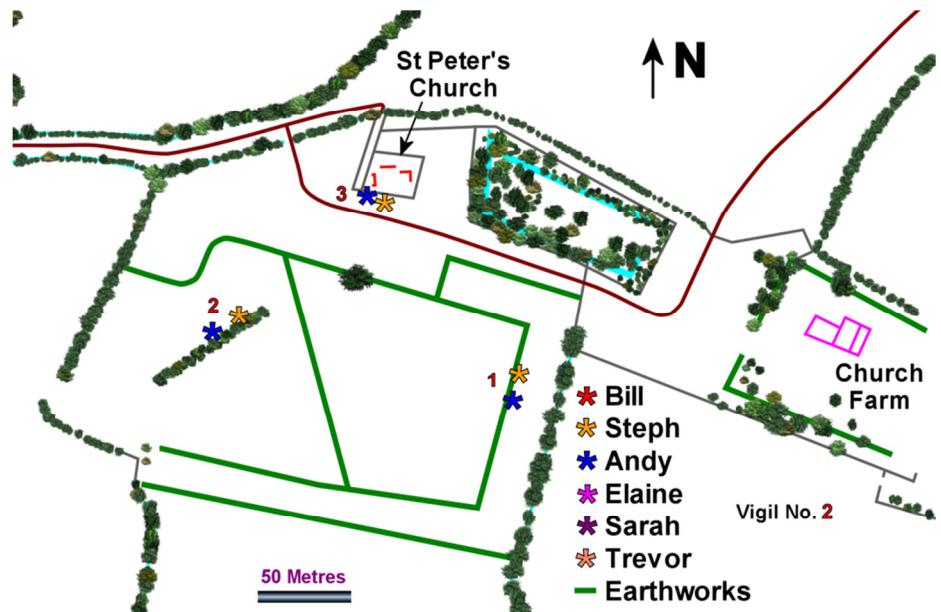

Vigil 1: Garden East Earthworks – 22:00 to 22:30

For the positions of the team members see the plan below.

22:00 Steph measures the temperature as +7°C.

22:07 Steph hears a metallic sounding thud coming from the field behind her. Andy has also heard this sound and confirms this to Steph

22:08 Steph hears another thud. She goes with Andy to investigate. There is a dense hedge along the fence and they cannot see through to the field beyond. They decide to have a look from the path at the end of the vigil.

22:15 Andy's K-II meter spikes just the once.

22:22 Steph and Andy conduct an EVP experiment.

Post-Vigil

Andy and Steph look for the source of the metallic thud heard earlier but find nothing

Vigil 2: Trees to the Southwest – 22:45 to 23:15

For the positions of the team members see the plan above.

22:45 Andy and Steph are sat by the treeline.

22:46 Steph measures the temperature as +7°C.

22:53 Steph hears voices and cheering roughly from the south.

23:12 Steph hears whistling coming from her left (behind where Andy is sitting).

Investigation Date 21st October 2011

Vigil 3: Church Ruin – 23:20 to 00:00

For the positions of the team members see the plan above.

- 23:22 Steph measures the temperature as +7°C and places her Gauss Meter against the metal fence.
- 23:24 Steph gets a brief but strong taste of cheese and onion in her mouth.
- 23:35 Steph notes there is a lot of noise coming from the residential area beyond the field behind her. She can hear voices and cars revving their engines.
- 23:35 Andy has the impression of a beating taking place at this location and a man being beaten up
- 23:36 Steph is looking in to the church and gets the name *Kathleen* in her mind.
- 23:38 Steph sees a reddish orange glow on top of the west ruin.
- 23:49 Steph gets the words *food seller* in her head.
- 23:53 Andy comes over to Steph to say he has taken a temperature reading of +10°C. Steph also takes a reading and her thermometer again says +7°C. She thinks her thermometer isn't accurate.
- 23:56 Steph hears two short whistles then another two short whistles directly after. They come from somewhere between her and Andy who is to her left. Steph asks Andy if it was him and he says it wasn't him.
