

INVESTIGATION REPORT – Team 1		
Investigation Site	Brogborough Park	
Investigation Date	2 nd March 2012	
Report By	Andrew Fazekas	
Team Members	Andy, Gayle	

General

Weather - Misty and damp.

Ambient sounds – Banging and industrial sounds from nearby industrial estate.

Vigil 1: Earthworks – 21:30 to 22:10

For the positions of the team members see the plan below.

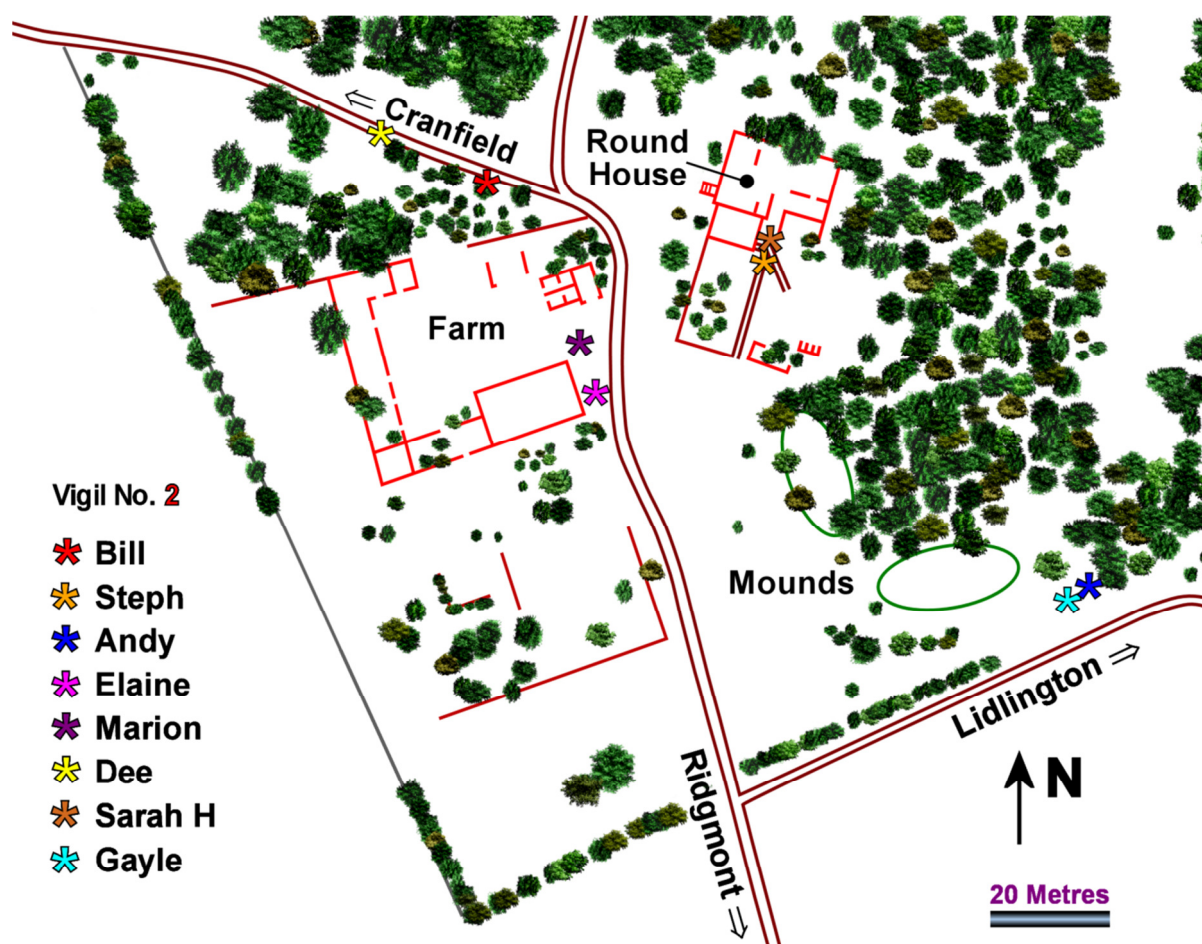

21:30 Andy takes an EMF reading but nothing is registered. Andy also takes a temperature reading of +7.4°C.

21:37 Andy can hear the sound of metal banging in the distance behind him towards the industrial estate.

21:42 Andy and Gayle hear more noise from the nearby industrial estate.

21:44 Andy can hear the sound of pallets being stacked coming from the industrial estate.

21:53 Andy takes a temperature reading of +7.7°C.

INVESTIGATION REPORT – Team 1

Investigation Site Brogborough Park

Investigation Date 2nd March 2012

21:56 Andy hears more banging from the industrial estate.

22:00 Andy hears a bang from the direction of the industrial estate.

22:04 Andy takes temperature readings, they fluctuate between +7.8 and +8.2°C and Andy and Gayle put this down to the wind chill factor and the temperature changing when the wind blows in. Andy also takes an EMF reading of zero.

Vigil 2: House – 22:15 to 23:00

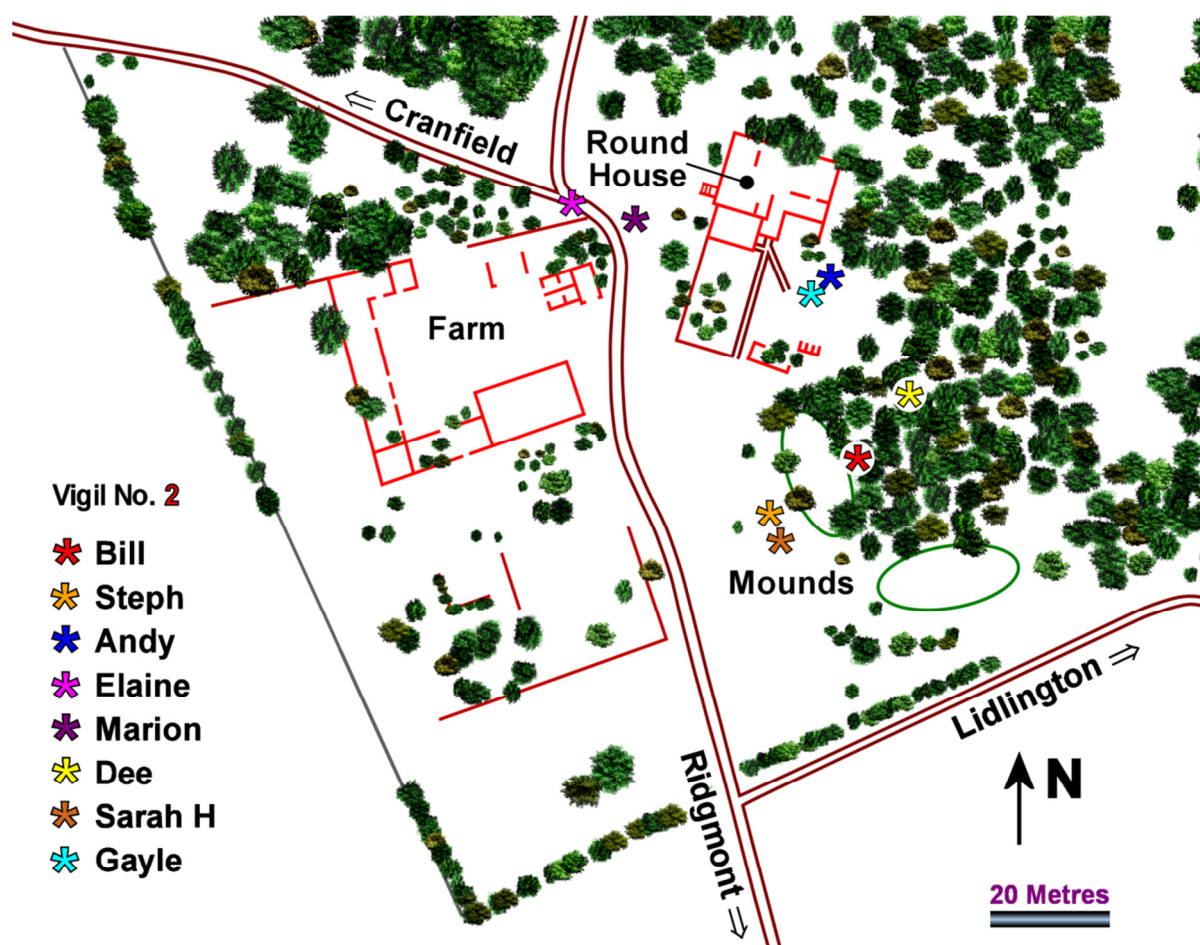

Andy and Gayle relocate to the area of the house. Andy places his camcorder inside the building and his EMF meter in the doorway.

For the positions of the team members see the plan below.

22:19 Andy hears bangs coming from direction of industrial estate.

22:19 Gayle can hear the sound of a train.

22:49 Andy hears bangs coming from direction of the industrial estate.

Vigil 3: Lane Area next to Marker Post – 23:00 to 23:30

Andy and Gayle move to the location of a marker post in the lane at the edge of the wooded area.

For the positions of the team members see the plan on the next page.

INVESTIGATION REPORT – Team 1

Investigation Site Brogborough Park

Investigation Date 2nd March 2012

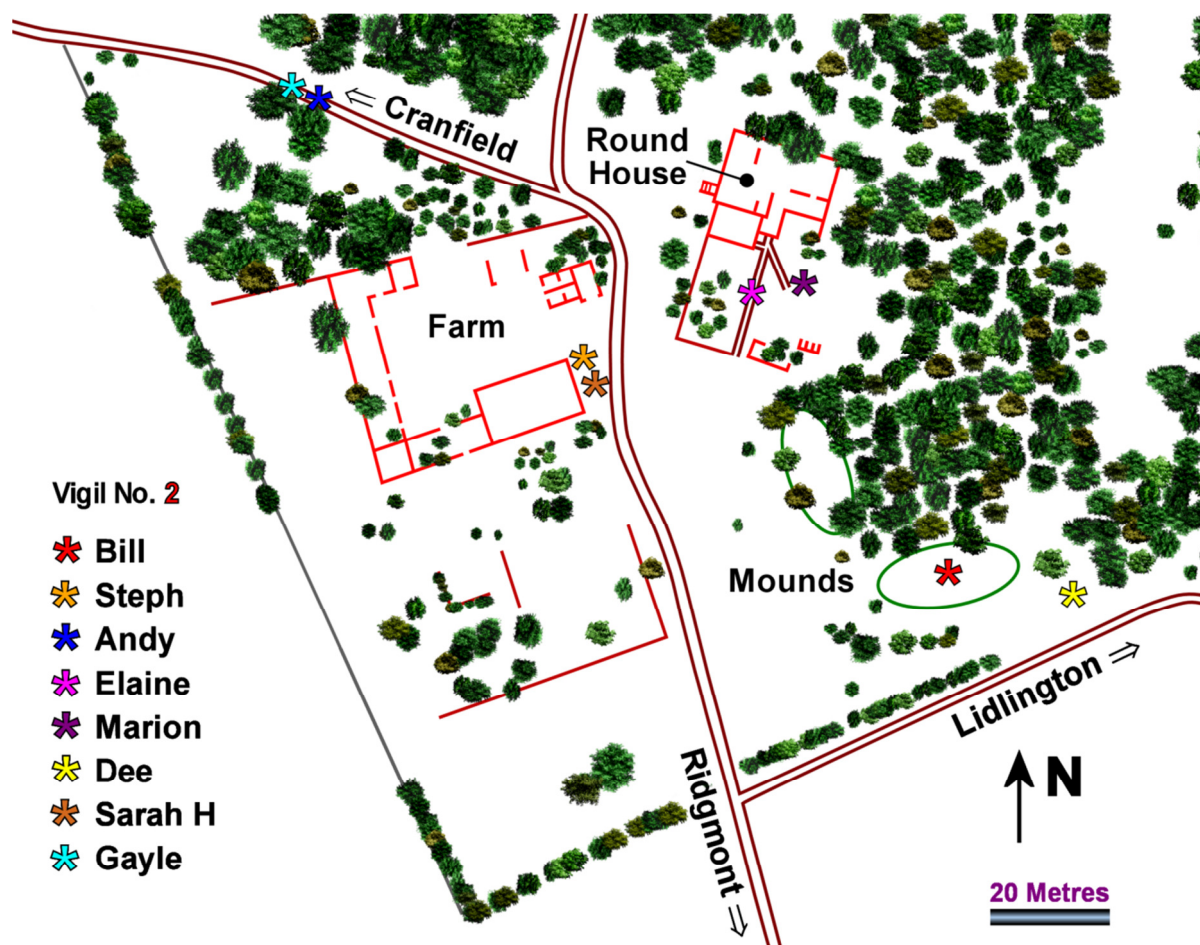

The weather conditions have got worse and this makes visual recording impossible.

23:06 Andy takes a temperature reading of +7.9°C.

23:16 Andy and Gayle begin an EVP experiment by calling out to any spirits who may be nearby.

23:19 Andy observes a light further up the lane through the bushes and assumes this is the light of another team taking notes.

23:29 Andy shines a torch into bushes as Gayle spots a rabbit.

Vigil 4: Footbridge – 23:35 to 00:10

Andy and Gayle go to the footbridge for the last vigil. Andy places his camcorder on the bridge itself.

For the positions of the team members see the plan on the next page.

Weather is still misty.

23:43 Andy takes a temperature reading of +7.9°C.

23:54 Andy takes a temperature reading of +7.5°C.

Post-Investigation

Andy has nothing paranormal on audio or film.
