

Motte & Bailey Pinto
18th June 2007

This is a young lad with blond hair
I had a glimpse of when I was picking
up images of the 1st world war. I also had
a picture of a face covered in bandages
and a feeling that the John we had

made contact with had died.
Three lads altogether.

Pinto 18th June 2007

This man with steely grey hair was
sitting in the bar with the big T.V.
drinking a pint of Guinness. The bar looked
different, older. He was wearing a dark
suit 1930's - 40's.
