Séance

Andy did not experience anything paranormal during the séance.

Vigil 1: Living Room – 23:45 to 00:15

For the positions of the team members see the plan at the end of this document.

23:55 Karl is sat on a sofa facing the Kitchen. He observes a bead of light go across the kitchen area. Karl also reports feeling a shudder go down his back.

23:59 Andy is sat by front door and feels a cold breeze come from the stairs.

00:05 Andy's camcorder lights come on while Andy is making an adjustment.

00:06 Cough heard from upstairs.

00:07 Andy has to cough as his throat is feeling very dry and irritable.

00:12 Karl senses movement by the main wall. Karl describes this as something being moved to the right. Karl's note pad moves off his leg. Karl tries to repeat this action in order to debunk it by moving his leg but finds no reason for why his pad moved.

00:13 EMF sweep shows no reading.

Investigation Site Luton, Yatley Close

Investigation Date 2nd April 2010

00:15 Car heard outside the house.

Vigil 2: Front Bedroom – 00:30 to 01:00

For the positions of the team members see the plan at the end of this document.

00:30 EMF reading taken, no activity.

00:35 Andy feels the room is colder.

00:37 Karl senses the bed he is laying on move just slightly followed by cold chills and the hairs on the back of his neck standing up.

00:41 EMF reading taken, no activity.

00:48 Cough heard from other room.

00:53 Andy has to change a disc on his camera and accidentally puts light on.

00:57 Cough heard from downstairs.

All the members of the team confirm they hear a sound that sounds like an animal whining from the direction of the landing directly in front of the team. When the vigil ends this is discussed and investigated. Andy asks Elaine if her team had made any sounds or heard anything in the last five minutes. Elaine states that she has not heard anything.

Vigil 3: Back Bedroom – 02:15 to 02:50

For the positions of the team members see the plan at the end of this document.

02:16 Andy observes a light near the corner. Further investigation reveals the source of light to be coming from Bills equipment.

Experiment

As part of the final session several of the members from the different teams sat in the living room to try a calling-out session (basically asking any spirits present to respond in any way).

03:00 Session starts. Karl reports that he is already being touched and says that it feels like walking through cobwebs.

03:02 Karl reports that there is something on the stairs, he had heard them creak.

03:03 Steph says that she heard a click, other team members confirm this.

Elaine reports that she is feeling cold, the top of her legs are freezing. Karl also reports that he is freezing then notices that the door in the kitchen (behind him) is open.

03:05 Elaine asks if something moved down by the stairs.

Post-Investigation

- Andy has one photograph taken outside in the garden that shows a dark patch where the camera flash should have lit up that section of the garden.
- DVD Camcorder has picked up the odd sound captured on the landing along with two dust orbs in the same area.
