Pre - investigation

Andy is joined on the investigation by Oz.

Unfortunately due to heavy growth of stinging nettles and a bee nest in the area this makes it impossible for the team to conduct anything other than photographs of the site from a distance.

St Micheal and All Angels

Pre-vigil

Andy senses that this time he is allowed into the church after be warned not to go there on previous occasion by sources unknown

Vigil 1 14:30 - 15:00 Oz took up position on a bench next to the church building for the first vigil. Andy is located at the front on the pathway leading up to the church.

14:30 Oz audio recording was hampered by agricultural activity to the east and a fairly consistent and brisk wind. Several pictures taken of the area with nothing unusual to report.

14:35 Andy takes a temperature reading of 17.8c. Andy begins EVP experiment

14:55 Andy ends EVP experiment

15:00 vigil ends

Vigil 2 15:05 - 15:35 Oz is at the south end of the church graveyard and Andy is now at the rear of the church building itself

15:05 Andy takes a temperature reading of 19.2 and begins an EVP experiment.

15:06 Oz audio recording similarly hampered by the environment. Oz has a feeling of melancholy during this vigil but believes it was brought about from reading the inscriptions on the nearby grave stones, some of which were dedicated to very young deceased.

15:16 Andy can smell smoke and also the smell of cut grass

15:25 While standing beneath a tree in the corner of the church yard Oz has a feeling of someone standing nearby; took several pictures at this point but nothing revealed on review. Oz also checks his Barometer held at 995mb and no magnetic fluctuations were recorded throughout this part of the investigation.

St Mary Clophill

Both Oz and Andy go to St Mary church at Clophill but are followed up the lane by a local resident in his car. Once at the site the local resident informs Andy and Oz that there is a rare bird nesting in the church and can they not go onto the site. Both Oz and Andy agree to this and end the investigation.
